Mentoring Physical Oceanography
Women to Increase Retention

Meet others in your field and make connections: Register for the Pattullo Conference, a 3-day mentoring event bringing together junior and senior scientists.

Explore career opportunities: Through the NASA Speaker Series and NOAA Internship, learn about research conducted at government labs.

Get advice and support: Join a mentor group. Groups meet monthly via conference call and consist of 6-7 junior scientists and 2 senior facilitators.

Enhance your professional skills: Attend an MPOWIR sponsored town hall meeting or social at a national meeting.

Find resources and get involved: To learn more about these opportunities and to find additional resources for your early career, visit www.mpowir.org.
